**Subject:** RE: 2014-346-WS- Follow Up on Request from Attorney Pringle to All Parties  
**Importance:** High

Dear Parties of Record:

Please see the attached email in response to the email received from attorney Pringle. Inadvertently, I did not realize when responding to attorney Pringle's email that it may not have included all active parties of record. Thus, in accordance with SC law and Commission policy on *ex parte* communications, potential or possible, I am providing a copy to all emails or correspondence whether a party may or may not be interested or part of the underlying Settlement Agreement, submitted any supporting verified Settlement Testimony on 2/18/2021 and 2/19/2021, or related settlement filings, but because you are counsel of record listed on the DMS and to avoid any inadvertent *ex parte* communication.

Due to the Commission's schedule and ongoing hearing in another docket and attorney Pringle's request for consideration of this matter on Thursday (2/25/21) rather than on Friday (2/26/21) as currently scheduled, it is possible for the Commission to move this Settlement Hearing to 11:00 a.m. on Thursday, February 25, 2021, and the Commission would be inclined to so move this Settlement Hearing provided the parties are available.

**Please advise if counsel who is planning to participate in the Settlement Hearing and related Settlement Hearing witnesses can advise as soon as possible but no later than 3:30 p.m. today as to whether or not they can be present tomorrow (Thursday, February 25<sup>th</sup>) at 11:00 am which would be following the Commission hearing in Docket No. 2020-268-T and prior to the Commission's hearing in**

**Docket No. 2020-269-T. Moving this Settlement Hearing to Thursday at 11:00 a.m. will not interfere with the ongoing proceeding in Docket No. 2020-229-E before the Commission at this time.**

Those who have submitted Settlement Testimony are (1) Company Daufuskie Island Utility Company, Inc. (Attorney: Thomas P. Gressette, Jr. and Witness: John F. Guastella) and (2) ORS (attorney: Andrew Batemen and witness: Dawn Hipp).

The parties, Haig Point Club and Community Association, Inc. ("HPCCA"); Melrose Property Owner's Association, Inc. ("MPOA"); and Bloody Point Property Owner's Association ("BPPOA") did not file any Settlement Testimony and their counsel, attorney Pringle, made a request to move the Settlement Hearing.

Thank you for your consideration and attention to this matter.

With kind regards, I am

Joanne and Jocelyn- sorry for the last minute on this, (and I have not talked to ORS about this), but I see that there is a Settlement Hearing in the above scheduled for Friday morning.

Would it make sense to see if the Commission could consider same via expedited review in a special meeting that could take place just before the scheduled Commission Hearing tomorrow? I believe that the Settlement Testimony filed along with the Agreement is verified, meaning that at least as an evidentiary matter expedited review is an option.

I realize that may be a big logistical challenge, given that notice of the Special Meeting would need to go out in the next two hours, and of course the Commission may want to hear from the parties/witnesses on the resolution.

But I thought I would check, just because of when the hearing is currently scheduled ....

Jack P.

P.S.- I agree to take full responsibility the 11<sup>th</sup> hour nature of this communication, and please direct all your ire/anger/frustration, etc. directly to me.
